If submitting by mail, don't forget to include a check payable to the European Brabant Registry of America or supply your credit card information by phone to the Registrar 724-605-3680. When marking this form by hand, please use block lettering and fill circles/squares in completely.

The EBRA strongly discourages changing the name of a registered horse. However, horse owners have the option to request a name change if the horse has never had progeny, been exposed to a mare/stallion, or had semen collected (*in the case of a stallion*). Please list two choices for a new horse name below.

The maximum length for a name is 40 characters, including spaces and the farm prefix.
